# Announcement

We are pleased to present you with this Catalog of our Eighth Annual Sale of Scotch Short Horns. We are selling 40 head—10 bulls and 30 females—the best we have yet offered. We might mention here that out of six head shown at the International Stock Show, 1916, we won seven ribbons, getting as high as fourth place on calf herd. The young things we are selling this time are along the same lines of breeding and are the kind that will look good anywhere and in any herd. Thanking you for past favors, we are,

Yours truly,  
CAHILL BROS.

**Guarantee:**—We guarantee all females that have been bred to be breeders, with reasonable care. Our guarantee means that if they do not prove breeders they can be returned to us in good condition and first tried by us to get in calf and if, after six months, they are not returned to purchaser in calf, we will refund purchase price and interest at 5 per cent. per annum. Cows or heifers with calves at foot, or six months gone in calf, are known breeders and no further guarantee will be given. Bulls that do not prove breeders can be returned to us in as good condition as when sold. If they do not prove breeders for us purchase price will be returned. For heifers not bred no guarantee will be given. Above guarantee we will stand by.

**Place of Sale:**—At farm, 14 miles southeast of Mason City, 9 miles southwest of Rockford, 8 miles east of Rockwell, and 2 miles east of Cartersville. Mason City being a railroad center, you will have no trouble getting to sale and out again the same day. Parties arriving at Mason City evening before sale stop at Wheeler Hotel as our guest. In the morning the 10 o'clock passenger on the Northwestern will take you to Cartersville in time to get to farm before noon. Parties coming to Rockford stop at Bower's Hotel and those to Rockwell at Hotel Jenkinson. Dinner at farm.

**Terms:**—Any one wishing time can make arrangements with the clerks. They will treat you right. Parties from a distance bring bank reference. Bids may be sent to auctioneers or to clerks in our care, and will be honorably dealt with. Breeding dates given sale day.

**Merry Goods 333575**—we regret to part with **Merry Goods**, but have used him as long as we can. He is absolutely right and just as active as a calf. He is one of the good sons of **Good Choice** that we purchased in **Bellows Bros.' 1910 sale**, he being one of the top young bulls of the sale. We will show you a bunch of calves by him sale day that will prove his merit as a sire of first-class stock. We showed him at the Iowa and Minnesota State Fairs, 1911, where he stood well up in the money in thin condition, winning 2d place at Hamline. He has improved since and we think you will like him.

**Good Choice 227852**—was sired by the many times Grand Champion, **Choice Goods**. That he was appropriately named, we think no one will question. As junior calf he was 3d at the International and as a two-year-old he defeated every bull of his age he met, winning 1st at the Iowa and Nebraska State Fairs; also 1st at St. Joseph and the American Royal. He now weighs 2,350 pounds, and is as smooth and active as a yearling. He has perfect disposition, is a natural flesh carrier and has proven a remarkable prepotent sire. He sires both good bulls and females alike. The thrift and beautiful Short Horn character of his get impress all who see him.

**Merry Hampton 132572**—roan; calved January 4, 1897; bred by Wm. Duthie, Collynie, Scotland; imported in September, 1898, by C. B. Dustin & Son, Summer Hill, Ill.; got by Prince Frolic 132571, out of Mademoiselle 6th by Field Marshal 64894.
